

Afarand Scholarly Publishing Institute's Form of Publication Ethics Observance, Assignment the Rights of Publishing to SJIUMS, and Introduction of the Authors

Commitment to professional ethics and publication of the corresponding author

We, the authors of the article entitled "....." with code, approve to send this article to SJIUMS and declare that this article is not under revision in any other scholarly journals at the time of submission to SJIUMS and will not be sent to any other scholarly journal during the revision at SJIUMS until the definite answer of SJIUMS about it. We choose Mr/Mrs (from the authors) as the connector author and delegate all the responsibility of the article to him/her regarding following the relation with SJIUMS.

Assignment of the publishing rights

We, the authors, with full liberty and awareness, assign all the rights of publishing this article (not of the content) to SJIUMS, and the journal is free completely to publish this article in any format (print, online, CD, indexing in databases, etc.) and use the potential financial benefits of publication. This right is negated by rejection of the article in SJIUMS or by withdrawing the authors from publishing it *before the final acceptance*.

Introducing the authors, their order of appearance, and their contribution

We, the authors (names and orders of appearance are as the below table), by awareness of the non-changeability of the names, orders of appearance, and information of authors (no authors can be added or removed at all), declare that we all have contributed in producing this article (doing the researches or writing the article) and no names have been added without having an effective role to the article. From the following authors, row No. is introduced as the correspondent author whose name will appear on the published article. Corresponding author Email:
